

About Us

Welcome to St. Mary's General Hospital

St. Mary's General Hospital is a community-based tertiary medical center focused on providing quality, compassionate care. It is an acute care hospital providing a broad range of cardiovascular services as well as a comprehensive program for cancer care. St. Mary's General is also a center of excellence for maternal-child health and outpatient behavioral health services. It is the only Hospital in Passaic and with over 550 physicians and 1,200 employees it is one of the largest employers in the county.

Every member of the St. Mary's General team is committed to providing respectful, personalized, high-quality care. Our goal is to satisfy patients' needs and exceed their expectations. St. Mary's General Hospital is a member of the Prime Healthcare System family which has been lauded as a "Top 15 Healthcare System" by Truven Health Analytics

St. Mary's General Hospital is [nationally recognized](#) medical center, awarded an "A" in patient safety by The Leapfrog Group, a nonprofit organization committed to driving quality, safety, and transparency in the U.S. health system, and is the gold standard measure of patient safety.

Mission & Values

Our Mission

As part of the Prime Healthcare System, St. Mary's General Hospital endeavors to provide comprehensive, quality healthcare in a convenient, compassionate, and cost-effective manner.

These are our Values

Quality

We believe in continuous quality of care and performance improvement as the foundation for preserving and enhancing healthcare delivery. Effective communication and education of our patients, physicians, staff, and the community we serve are essential elements in this process.

Compassion

We provide an environment that is caring and conducive to healing the whole person physically, emotionally, and spiritually. We respect the individual needs, wishes and rights of our patients.

Comprehensive

We are committed to an integrated healthcare system that spans the entire spectrum of healthcare delivery. This continuum of care encompasses all aspects of an individual's healthcare.

Cost-Effectiveness

We offer high-quality that is accessible and affordable.
